### <u>Private Line Services Tariff</u> Section B5 - Original Page 50

This Contract Service Arrangement is being submitted to the Tennessee Regulatory Authority for review and approval. Details may be found in the Executive Summary which is included with this filing package.

On April 3, 2001, the Authority adopted new Rules in Docket No. 00-00702. In view of the Authority's expressed desire to implement these Rules as the Authority's policy pending final approval, BellSouth filed a tariff to voluntarily comply with these Rules, and that tariff became effective on August 15, 2001. Since these Rules have now been implemented as the Authority's policy, BellSouth is submitting this filing under provisions in those Rules which allow a 10-day interval for the Authority's review and approval of tariffs for special contracts.

We appreciate your returning a receipted copy as evidence of this tariff filing. Please call Paul Stinson at 214-3839 if you have questions or wish to discuss.
